

Directive no. 1/2020 of Department of Environmental Engineering

**on dates of assignment and submission of diploma theses,
on the holding of the State Final Exam for the field of study Environmental Engineering
and the study programme Intelligent Buildings**

Deadline for hand-over of official assignments of diploma theses: 30. 4. 2020

The official assignments will be handed over to students in an electronic form against e-mail confirmation of receipt to the address of the departmental secretariat.

The students will collect the signed originals of the assignments, which have to be included in the binding of the Bc. and MSc. theses, at the secretariat in the following dates, before binding the thesis:

Bachelor students TZSI (2301R000) 27. 7. 2020 from 8:00 to 10:00 h at the secretariat U12116

Bachelor students EE (2301R026) 27. 7. 2020 from 10:00 to 12:00 h at the secretariat U12116

Masters students EE (2301T026) 28. 7. 2020 from 8:00 to 10:00 h at the secretariat U12116

Masters students IB (N3946) 28. 7. 2020 from 10:00 to 12:00 h at the secretariat U12116

The students arrange among themselves so that they will go to the secretariat individually and they will not gather in groups in front of the department.

The training on the Bc. and Msc. theses structure and way of their elaboration will be provided in the above-mentioned deadline in the form of self-study from the provided pdf file.

Deadline for submission of Bc. and Msc. theses to the secretariat: 31. 7. 2020 until 15.00 h

Deadline for submission of thesis reviews by guarantors and opponents: 14. 8. 2020

Date of the State Final Examination for Bc. study programme TZSI: 24. 8. 2020

Date of the State Final Examination for the study field EE (MSc. and Bc.): 25. to 27. 8. 2020

Date of the State Final Examination for study programme IB: 28. 8. 2020

The possibility of defences in June and the related deadlines are cancelled in all forms of study!
